woven in wales for 100 years

# 1912-2012

A family company since 1912 we still design and weave our woollens here in Wales.

Equally at home in a stone cottage, a beach hut, a period home or a steel and glass loft. Useful and beautiful they come in a wide range of styles, sizes and colours.

This year we've launched 2 new designs: Tote and Multistripe blanket. We've added a new colour to our ever popular mondo design. We've also added new colours and sizes to our selection of lampshades. We've had a fantastic reaction to the upholstery fabric which can now be seen sitting pretty on our new upholstered cubes.

Fellow Welsh company Corgi have once again knitted our special socks and arm warmers. We have also added new items to the Welsh ceramics range.

We hope you find what you are looking for in our catalogue; if you have any questions, or need a fabric sample, you can talk to a real person on 01348 891644 between 8.30 – 4.30 Monday to Friday. (answer phone outside office hours). Or email us at [mailorder@melintregwynt.co.uk](mailto:mailorder@melintregwynt.co.uk)

We usually only print one catalogue a year so for the latest news go to [www.melintregwynt.co.uk](http://www.melintregwynt.co.uk). You can also find us on Facebook and Twitter.

If you would like to receive advance notification of our new products and priority for any special offers, please register on-line and we'll keep you updated.

We're open all year round and visitors to Pembrokeshire can come and watch us weaving. You will find our full range plus a great selection of gifts and a mean cup of coffee at:
