

melin tregwynt

A family company since 1912 we still design and weave our woollens here in Wales.

Equally at home in a stone cottage, a beach hut, a period home or a steel and glass loft they come in a wide range of styles, sizes and colours.

We enjoy working with other designers who use our fabrics to produce new and interesting products. This year we've added a collection of clogs, shoes & boots from Birkenstock, beautifully handmade new baby gifts, a new larger ergonomic bag and a range of classically tailored garments, specially made for us in the UK.

We've also added kitchen textiles to our Stone Circle collection

We hope you find what you are looking for in our catalogue; if you have any questions, or need a fabric sample, you can talk to a real person on 01348 891644 between 8.30 – 4.30 Monday to Friday. (answer phone outside office hours)

We usually only print one catalogue a year but we are always developing new fabrics and products so keep an eye on our website

If you would like to receive advance notification of our new products and priority for any special offers, please register on-line and we'll keep you updated.
